**2. MISSION AND VISION**

**Vision statement:**

A society in which all children are learning and realizing their full potential.

**Mission Statement:**

We are committed to demonstrating how to improve learning outcomes and keeping communities and leaders focused on learning through assessment, research, innovations, partnerships and advocacy.

**3. PRINCIPAL ACTIVITIES**

The principal activity of Uwezo Tanzania is to generate and curate evidence on learning outcomes and use it to engage with policy actors and citizens to address the learning crisis.

**4. PERFORMANCE FOR THE YEAR**

The Statement of Financial Performance shows no surplus or deficit generated for the year ended 31 December 2024, (2023: nil). Uwezo Tanzania spent funds amounting to USD 402,273 for the year ended 2024 (2023: USD 299,589) to undertake various activities as detailed out in part 4.1 below. The detailed financial performance of the Organization, during the year is set out on page 13 of these financial statements.

**4.1. Main achievements and developments for the year include:**

- 4.1.1** Securing research permit from COSTECH and the Ministry of President's Office, Regional Administration and Local Government Tanzania (PO-RALG) to conduct ELANA research in three districts as well as receiving permit from TAMISEMI to implement My Village project initiatives in the district of Gairo, Kisarawe and Ludewa.
- 4.1.2** Successful generation of evidence for the learning outcome in the three districts of Korogwe, Handeni and Muheza.
- 4.1.3** Empowerment of 180 Volunteers in Data Generation – Trained and equipped volunteers with data generation skills, enabling them to apply their experience in other research and professional activities.
- 4.1.4** Through foundational learning program Uwezo managed to identify children with learning needs from 100 villages and supported them in acquiring the skills.
- 4.1.5** Uwezo successful generated evidence on the learning support which will use to inform policy makers on key variable to take into consideration in improving learning through AB testing program.
- 4.1.6** Presentation of Evidence-Based Insights at an International Conference and Sharing key findings from the My Village project at the East Africa International Conference, contributing to regional discussions on improving learning outcomes.

## **UWEZO TANZANIA**

### **REPORT BY THOSE CHARGED WITH GOVERNANCE FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)**

- 4.1.7 Uwezo participated and chaired the national committee for Global Action week for Education event under coordination of TenMet that took place in June 2024 in Geita Region and also Participated in other various key events such as IQEC Conference, Commemoration of world's teacher's day, East African Education Conference. Through these events Uwezo engaged with more than 900 education stakeholders and advocated on Uwezo insights and achievement.

**9. BOARD MEMBERS' INTEREST IN THE ORGANIZATION**

The Board Members do not have any ownership interest in the Organization.

**10. RISK MANAGEMENT**

The Board accepts final responsibility for the risk management and internal control system of the Organization. It is the task of management to ensure that adequate internal financial and operational control systems are developed and maintained on an ongoing basis in order to provide reasonable assurance regarding:

- The effectiveness and efficiency of operations;
- The safeguard of the Organization's assets;
- Compliance with applicable laws and regulations;
- The reliability of accounting records;
- Business sustainability under normal as well as adverse condition; and
- Responsible behaviors towards all stakeholders.

The efficiency of any internal control system is dependent on the strict observance of prescribed measures. There is always a risk of non-compliance of such measures by staff. Whilst no system of internal control can provide absolute assurance against misstatement or losses, the Organization system is designed to provide the Board with reasonable assurance that the procedures in place are operating effectively. The Board assessed the internal control systems throughout the financial year ended 31 December 2024 and is of the opinion that they met accepted criteria.

**KEY COMMERCIAL AND OPERATIONAL RISK**

Risk	Description of risk	Mitigation
Resource development	Income will be insufficient to carry out our mission and goals. In particular, the risk of not replacing one or more large donors or renewals coming in at lower amounts. There is also a risk of overreliance on restricted sources of funding as funders/donors increasingly look to project-based or restricted funding that does not support the core Uwezo budget and workplan	Seek out new donors and new grant possibilities with existing donors to expand income base. Active donor and stakeholder engagement on the progress of the organisation as well as ensuring strong financial management and accountability systems are in place.

**REPORT BY THOSE CHARGED WITH GOVERNANCE  
FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)**

**11. DELEGATION**

The overall objectives of the Organization are agreed by the Board, which delegates the day-to-day operations to management for execution. There is a clear Organization structure, detailing the lines of authority.

**12. COMPETENCE**

Staff skills are maintained both by a formal recruitment process and a performance appraisal system which identifies training needs. Uwezo Tanzania also supports staff professional development to enhance their competence, during the year the Accountant was supported with financial resources to attend a workshop organized by the National Board of Accountants and Auditors focusing on accounting, auditing and business techniques. Uwezo also organizes regular learning sessions aimed at enhancing staff skills and widening the understanding of relevance of Uwezo Tanzania's work as well as for personal development.

**13. EMPLOYEE BENEFIT PLAN**

During the year, Uwezo Tanzania and its employees contributed to the National Social Security Fund (NSSF), which is a statutory defined contribution plan, on monthly basis, under the NSSF Act. The Organization's contributions to the defined contribution plan are charged to the statement of income and expenditure in the year to which they relate. The Organization has no other obligations to pay post-employment benefits.

**14. EMPLOYEES & RELATIONSHIP WITH MANAGEMENT**

During the year Uwezo Tanzania had 5 full time contract employees managing 3 of its departments, The Research department was headed by Mr Benjamini Masebo as Program Director, the Communication & Advocacy department was headed by Mr Greyson Mgoi as Program Officer and the administration department had 2 key staffs ie the Finance and Operation Manager and Executive Assistant cum HR.

During the year Uwezo also worked with 3 interns who were employed for the purpose of learning and supporting functions in the department of Research & Innovation, Communication and Finance.

The relationship between management and employees was reasonably good and there were no unresolved complaints received by management from employees.

Uwezo also ensured staff safety at the workplace by providing a clean, well ventilated workplace with access to important facilities such as clean washrooms and kitchen services. Uwezo also adheres to regulations set by OSHA.

DECLARATION BY THE HEAD OF FINANCE FOR THE YEAR ENDED 31 DECEMBER 2024

The National Board of Accountants and Auditors (NBAA) according to the powers conferred to it under the Auditors and Accountants (Registration) Act No. 33 of 1972, as amended by Act No. 2 of 1995, requires financial statements to be accompanied with a declaration issued by the Head of Finance responsible for the preparation of the financial statements of the entity concerned.

It is the duty of a professional accountant to assist the Board to discharge the responsibility of preparing financial statements of an entity showing a true and fair view of the entity's financial position and performance in accordance with the International Public Sector Accounting Standards. Full legal responsibility for the preparation of the financial statements rests with the Board of Directors as stated under the Directors' Responsibilities on the previous page.

I, **Barbra Abdul Mtemvu**, being the Head of Finance Uwezo Tanzania hereby acknowledge my responsibility of ensuring that the financial statements for the year ended 31 December 2024 have been prepared in compliance with International Public Sector Accounting Standards.

I thus confirm that the financial statements give a true and fair view of the financial position and performance of Uwezo Tanzania as on that date and for the year then ended, and that the financial statements have been prepared based on properly maintained financial records.

Name: CPA (T) Barbra Abdul Mtemvu

Position: **Accountant**

NBAA Membership No.: 6587

Date: 9/4/2025

## **Independent Auditor's Report To the Members of Uwezo Tanzania**

### **Opinion**

We have audited the financial statements of Uwezo Tanzania, which comprise the statement of financial position as at 31 December 2024, the statement of financial performance, statement of changes in net assets, cash flow statement, statement of comparison of budget and actual amounts of the year ended, and notes to the financial statements, comprising a summary of significant accounting policies and other relevant information.

In our opinion, the accompanying financial statements gives a true and fair view of the financial position of the entity as of 31 December 2024, and of its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Tanzania, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. The basis for our opinion is detailed on the following paragraph.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There were no key audit matters to report during the year ended 31 December 2024.

### **Other Information included in the Organization's Annual Report**

The management team is responsible for the other information. The other information comprises the organization information, glossary of acronyms and abbreviations, management report, statement of managements' responsibilities and the declaration of the head of finance/accounting of Uwezo Tanzania but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSASs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Independent Auditor's Report  
To the Members of Uwezo Tanzania (Continued)**

**Responsibilities of Management and Those Charged with Governance for the Financial Statements (Continued)**

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We are responsible for the direction, supervision and performance of the entity audit. We remain solely responsible for our audit opinion. We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

This report, including the opinion, has been prepared for, and only for the management of Uwezo Tanzania as a body in accordance with Section 29 of NGO Act, No. 24 of 2002 and for no other purposes. As required by the NGO Act, No. 24 of 2002, each Non-Governmental Organization shall for every activity calendar year and financial reports:

- Prepare a report of its activities which shall be made available to the Public, the Council, the Board and other stake holders; and
- Prepare an annual audited report and submit copies thereof to the Council and the Board.

The engagement partner on the audit resulting in this independent auditor's report is Dr. Straton Makundi.

**Explanation for Material Variations**

**Original and final approved budget and composition of actual and budget amounts**

Uwezo Tanzania budget is prepared on cash basis using a classification based on function and covers the same period (01 January 2024 to 31 December 2024) as the financial statements. Uwezo Tanzania budget was approved by the Board of Directors. The budget and financial statements are prepared using different basis. The financial statements are prepared on an accrual basis using a classification based on function in the Statement of Financial Performance, whereas the budget was prepared on cash basis. The amount in the financial statement were recast from the accrual basis and reclassified by presentation to be made on the cash basis.

**Note A:** The variation represent amount that was budgeted to be received for ELANA project implementation but it was not received.

**Note B:** The variation is explained by the fact that there were budgeted activities for ALIVE project that were not implemented and carried over for implementation in 2025 due to changes in the work plan.

**Note C:** The variation is due to incurring costs that had not been budgeted prior related to consultancies on policy review, governance review as well as convening meeting for Uwezo East Africa, These were implemented as per the request of our funder.

**1. ORGANISATION INFORMATION**

Uwezo Tanzania was registered as a non governmental organization on 10th January 2020 with registration number 00NGO/R2/09001. The address of its registered office is described in page 1 of these Financial statements.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

**(a) Basis of preparation and statement of compliance**

The financial statements have been prepared under the historical cost convention as a measurement basis and in accordance with International Public Sector Accounting Standards (IPSAS). The accrual basis of accounting have been applied as required under IPSAS and presentation of Financial Statement is in United States Dollars (USD), except where otherwise indicated.

The preparation of financial statements in conformity with IPSAS requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Uwezo Tanzania's accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in note 3.

**(b) Changes in accounting policy and disclosures**

**(i) New standards, amendments and interpretations adopted by the Organisation**

In the current year, the organisation applied all relevant International Public Sectors Accounting Standards (IPSASs) issued by the International Public Sectors Accounting Standards Board (IPSASB) that are mandatory effective for accounting periods that begin on 1 January 2024.

**IPSAS 44, Non-current Assets Held for Sale and Discontinued Operations.**

The Standard requires assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and:

Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance.

IPSAS 44 become effective for the reporting periods beginning on or after 1 January 2025 with early adoption encouraged.

**IPSAS 45 Property, Plant and Equipment**

The IPSASB approved IPSAS 45 in December 2022 and in May 2023, the standard was issued. IPSAS 45 was issued to add new guidance for heritage assets, infrastructure assets, and measurement for property, plant and equipment (PPE). Summary of changes (significant) is as follows:

- IPSAS 45 removes IPSAS 17 scope exclusion of Heritage assets. Heritage assets that satisfy the definition of PPE, shall be recognised as assets when they meet recognition criteria under IPSAS 45.
- IPSAS 45 introduces guidance on characteristics of heritage assets that can be used to distinguish from other PPE i.e., have restrictions on their use and/or disposal, are irreplaceable, and have long and sometimes indefinite useful life.
- IPSAS 45 introduces a requirement to disclose unrecognized heritage assets that cannot be measure reliably.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

b) Changes in accounting policy and disclosures (Continued)

- IPSAS 45 provides that assets acquired through non-exchange transactions to be measured at their "deemed" costs as at the date of acquisition.
- Subsequent measurement for an entity that uses valuation model for PPE, shall be done using Current Operational Value or Fair Value.

IPSAS 45 will be effective for periods beginning on or after January 1, 2025, the standard has no impact to Uwezo Tanzania as it has no heritage assets.

**IPSAS 46 Measurements**

The IPSASB approved IPSAS 46 in March 2023. The IPSASB approved IPSAS 46, Measurement, which brings measurement guidance together in a single standard, and introduces a public sector specific current value measurement basis for assets held for their operational capacity and provides additional generic guidance on fair value.

This completes the initial phase of the measurement project, now the IPSASB will consider the broader impact of this new guidance across IPSAS in the ongoing Measurement – Application Phase project.

IPSAS 46 will be effective for periods beginning on or after January 1, 2025. Management continue to assess the impact of the standard to its activity.

**IPSAS 47 Revenue**

The IPSASB approved IPSAS 47 in March 2023 which is a single standard to account for revenue transactions in the public sector. IPSAS 47 replaces the existing three revenue standards, and presents accounting models which will improve financial reporting and support effective public sector financial management.

Thus, IPSAS 47 is whole new standard with requirements and guidance on revenue to amend or supersede guidance that is currently located in IPSAS 9, Revenue from Exchange Transactions; IPSAS 11, Construction Contracts; and IPSAS 23, Revenue from Non-Exchange Transactions (Taxes and Transfers).

IPSAS 47 will be effective for periods beginning on or after January 1, 2026. The standard has no major impact to Uwezo Tanzania as the organization comply with IPSAS 23.

**IPSAS 48 Transfer expenses**

The IPSASB approved IPSAS 48, Transfer Expenses, which provides guidance on a major area of expenditure for governments and other public sector entities.

IPSAS 48 fills a gap which had previously led to ambiguity and inconsistency of accounting policies in the public sector.

IPSAS 48 will be effective for periods beginning on or after January 1, 2026. Management continue to assess the impact of the standard to its activity.

**IPSAS 49: Retirement Benefit Plan**

IPSAS 49 establishes comprehensive accounting and reporting requirements for the financial statements of retirement benefit plans, with participants comprising current and former public sector employees and other eligible members. The new pronouncement will bring increased transparency and accountability to these public sector entities, ensuring they can fulfill their obligations to employees and other eligible participants who are members of the retirement benefit plan. The effective date of IPSAS 49 is January 1, 2026, with earlier application permitted. Management continue to assess the impact of the standard to its activity.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) Revenue from non-exchange transactions

Revenues from non-exchange transactions with the donors are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Organisation and can be measured reliably. Donors grants are not recognized until there is reasonable assurance that the Organisation will comply with the conditions attached to them and that the grants will be received.

Other donors' grants are recognized as revenue over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis. Donors' grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Organisation with no future related costs are recognized in surplus or deficit in the period in which they become receivable.

(d) Equipment

Property and equipment are tangible assets which the Organisation holds for its own use or for rental to others and which are expected to be used for more than one period. An item of property and equipment is recognised as an asset when it is probable that future economic benefits associated with the item will flow to the Organisation, and the cost of the item can be measured reliably. Also capitalize items that are intended by the entity to serve its business operations in the long term. This is the case for assets with the following characteristics:

- Total cost per unit with an equivalent amount of USD 125 or more incl. VAT
- A probable useful life of at least one year and
- The ability to be used throughout the entire life of the asset.

Property and equipment is initially measured at cost. Cost includes all of the expenditure which is directly attributable to the acquisition of the asset.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a straight line method which best reflects the pattern in which the asset's economic benefits are consumed by the Organisation. Depreciation is not charged to an asset if its estimated residual value exceeds or is equal to its carrying amount. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale or derecognised. The depreciation methods and useful lives of items of property and equipment have been assessed as follows:

Asset	Rate %
Motor vehicles	25
Office equipment	25
Computers and accessors	33.3
Furniture and fittings	12.5

During the year, the entity charged its depreciation rates as indicated above.

The residual value, useful life and depreciation method of property and equipment are reviewed at the end of each reporting period. If the expectations differ from previous estimates, the change is accounted for prospectively as a change in accounting estimate.

The depreciation charge for each period is recognised in the Statement of Financial Performance unless it is included in the carrying amount of another asset.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**(d) Equipment (Continued)**

Impairment tests are performed on equipment when there is an indicator that they may be impaired. When the carrying amount of an item of equipment is assessed to be higher than the estimated recoverable amount, an impairment loss is recognised immediately in the Statement of Financial Performance to bring the carrying amount in line with the recoverable amount.

An item of property and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from derecognition of an item of equipment is included in the Statement of Financial Performance when the item is derecognised. The gain or loss arising from derecognition of an item of equipment is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

**(e) Payables**

Payable under non-exchange transaction transactions represent grant received but not yet utilized as at the end of the year

Account payable is made up of accrual which represent amount due to support services and/or materials received prior to the year end, but not paid for as at the statement of financial position date and liabilities to pay for goods or services that have been received or supplied but have not been paid, invoiced or formal agreed with the suppliers respectively

**(f) Cash and cash equivalent**

Cash and cash equivalents comprise cash on hand and cash in bank, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. Bank balances are initially measured at fair value and subsequently at amortised cost using the effective interest method.

**(g) Deferred income**

Deferred income is determined based on grants received from non exchange transactions which have conditions attached that results to a present obligation and meets definition of a liability.

**(h) Employee benefit**

Retirement benefit obligations

The Organisation and all its employees contribute to the appropriate National Social Security Fund (the fund), which is a defined contribution scheme.

A defined contribution plan is a pension plan under which the Organisation pays fixed contributions into a separate entity. The Organisation has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

The Organisation's contributions to the defined contribution scheme are charged to the statement of financial performance in the period in which they fall due.

**(i) Provisions**

Provisions are recognised when:

- The Organisation has a present obligation as a result of a past event;
- It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- A reliable estimate can be made of the obligation.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**(j) Translation of foreign currencies**

**(a) Functional and presentation currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the Organisation operates ('the functional currency'). The financial statements are presented in United States Dollars ("USD") which is the Organisation's functional and presentation currency.

**(b) Transactions and balances**

Foreign currency transactions are translated into the functional currency of the respective entity using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of financial performance.

**(k) Deferred capital grant**

Donations received to acquire property and equipment are capitalized and credited to deferred capital grant account. Deferred capital grant account is amortized in the statement of comprehensive income over the estimated useful lives of the assets concerned.

**3. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS**

The preparation of the Organisation's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future.

**Judgments**

In the process of applying the Organisation's accounting policies, management has made the following judgments, apart from those involving estimations, which have the most significant effect on the amounts recognized in the financial statements:

*Operating lease commitments – Organisation as a lessee*

The Organisation has entered into lease agreements for office space. The Organisation has determined that it does not retain significant risks and rewards of ownership of these properties and so accounts for them as operating leases.

**Estimates and assumptions**

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

**4. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES**

The Organisation's activities expose it to a variety of financial risks: market risk (including foreign exchange risk), credit risk and liquidity risk. The Organisation's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on its financial performance.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)**

**4 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)**

**Market risk**

The Organization is exposed to foreign exchange risk arising from grants receivable/received, purchases, assets and liabilities denominated in currencies other than the functional currency of the Organization, primarily with respect to Tanzania shillings.

Organization financial assets and liabilities are denominated in Tanzania shillings. As a result, the Organization is exposed to exchange rate fluctuations that have impact on cash flows. Exposure to foreign currency risk is mitigated by the fact that the Organization maintains certain part of its grants in United States Dollar. The effect of the foreign currency risk is not significant and therefore management does not hedge against foreign currency risk. This exposure does not result in significant risk as foreign currency assets and liabilities are normally recovered and settled within a fairly short time.

As at 31 December 2024, if the US Dollar weakened/strengthened by 10% against the Tanzanian shillings with all other variables held constant, change in net income for the year would have been USD 0 (2023: 0) higher/lower mainly as a result of foreign exchange gains/losses on translation of Tanzania Shillings denominated payables, receivables and cash.

**Credit risk**

Credit risk arises from cash and short-term deposits with banks. The Organisation does not have any significant concentrations of credit risk.

The amount that best represents the Organisation's maximum exposure to credit risk at 31 December 2024 is made up as follows:

	2024 USD	2023 USD
Staff debtors	5	-
Cash and bank balances	95,238	92,100
	<u>95,243</u>	<u>92,100</u>

**Liquidity risk**

Liquidity risk is the risk that the Organization will not be able to meet its financial obligations as they fall due. Prudent liquidity risk management includes maintaining sufficient cash balances, and the availability of funding from various donors and (or) development partners.

The table below analyses the Organisation's financial liabilities. These financial liabilities will be settled within a period of one year from 31 December 2024. The amounts disclosed in the table below are the contractual undiscounted cash flows.
